Two sisters went to a farmhouse in Gozo.
  It was quite big and it had two bedrooms.

I am so excited to live in this wonderful place.

Me too but I am very tired. How about we go and take a nap?

Yes I've got the keys.

They went in and started exploring the house.
  Martina went in her bedroom but came running back out and so did Nicole.

What happened?

There's a man in that room!

There's a gentleman in my room too!

They built up the courage and decided to go into Martina's room together.

Who are you?

What are you seeing? There's no one here.
Martina: Yes there is. He’s right beside the window.

Josephine: You’re the only one that can see me. I’m a ghost. I’m only letting you see me because I want us to be alone, so that I can tell you that I love you.

Martina: What!?  

Josephine: I love you.

Martina: This is weird. Let’s get out of here Nicole.

Nicole: You know what? Let’s just have a look in my room.

Martina: O.K.

Josephine: No. Don’t leave me here alone. I’ve been waiting for you for hundreds of years.

Martina: Bye!

Ms. Vella: The ghost starts crying but Martina and Nicole went out of the room. The same thing happened in Nicole’s room and they didn’t stay there one night. They went back to Malta regardless of the price they had paid. Martina and Nicole kept having visions of the ghost crying for them for years after they left.
One sunny day, a group of teenage girls went for a walk in the countryside. Without any warning, it started to rain in bucketfuls! There was a creepy, old house nearby, and so they went inside for shelter. Some girls went to explore the house and Sally stood there in the hall waiting for them to come back. All of a sudden a ghost appeared!!

Sally: Ahhh!!! Who......who are you?

Ghost: When I was a young teenager I used to see you walking in front of this house every day. I fell in love with you. You're so pretty!! I'm Jake and I used to live in this house but unfortunately I died and lost the chance to be with you!

Sally: Ummm. You're cute, handsome, nice...... but...... I have a boyfriend.

Ghost: Ohhh...okay, don't worry. After all I'm dead!!

Narrator: The girls came back in the hall.

Ghost: Sorry! I have to go now. I can't be seen by other people except you!

Sally: Okay... Bye!!

Robert: Hi Roberta! I’m Robert. I’m his spirit. I missed you so much!

Roberta: Oh I think I am getting mad! How is this possible? Robert is dead

Robert: Now listen to me as I don’t have a lot of time here. I’ve just came to tell you that I still love you and I really miss you.

Roberta: Me too!

Charlene: Hey girlfriend!! What’s up?
Noeleen: Hey! How are you sweety?
Charlene: I’m great! And you?
Noeleen: I’m fine thank you.
Charlene: May I ask you a question, pretty please?
Noeleen: Yes of course... So what is the question about?
Charlene: It is about a ghost.
Noeleen: O...kay!
Charlene: If you see a ghost what would you do?
Noeleen: Nothing... there is nothing to be scared off and I don’t think they exist. And what would you do if you saw a ghost ??
Charlene: It is just a ghost! It not like it’s going to talk to you or something!
Ghost: Isabella! Isabella is that you my love! I’ve been thinking of you ever since I died.
Noeleen: Oh dear! There is actually a ghost talking to you Charlene, I’m getting scared!
Charlene: I think he wants something or needs somebody.
Noeleen: Maybe he lost his true love?
Charlene: I think so. He is thinking that I am someone else!
Ghost: I want Isabella.
Charlene: Oh my! I’m getting really scared. He’s actually talking to me.
Noeleen: It’s not my friend that you are looking for... She is not Isabella.
Charlene: I’m sorry but I guess you’re wrong.
Noeleen: We’d better run off before he gets mad and gets us both!
Ghost: Grrrrrrr...I’m getting really mad!
Together (Noeleen and Charlene): Runnnnnnnn!
Lola  You’re lying! I can see it in your eyes!
Sophie  Fine! You got me! But... He is just so gorgeous!
Lola  Tell me how does he looks like?
Sophie  He is about 5 feet tall, lovely blonde hair waving through his face and sapphire blue eyes!
Lola  Oh my!
Sophie  I wish I could show him to you!
Lola (Karl, the ghost appears) Oh my! He's a real ghost! Charming ghost! I’m Fainting!

(Lola faints)

Sophie  Hey! Nice to see you again! This is my friend Lola. You know.. the one who has just fainted right in front of you.
Karl (Looks into Sophie's eyes) You are mine! Forever! You can turn me human again!
Sophie  But how?
Karl  You can go into my grave and take my body to Maud Anscombe. She's a witch who can help you turn me human again. The grave yard is next to the hotel. But hurry! You only have till midnight or I will have to stay like this for another year till this very date!
Sophie  I will try my best! (Tries to hug him but went right through him) Wake up Lola! (She starts screaming to Lola but the ghost left)
Lola  What?!
Sophie  I will tell you on the way to Maud Anscombe! (They left the Hotel)
Karl (Says in a desperate voice) Hurry! Save me and we will be together again!
Sophie - Lola ... I think that I know him... but I don’t know where! Maybe he will look different when he turns human! Anyway let’s rush off as Karl’s future depends on us!

Ghost (Damon): Oh my gosh, I can’t believe it’s you Catherine.

Elena: Yeah, um okay it’s me and you are.....

Ghost: What! Don’t you remember me? It’s me, the love of your life.

Elena: Right, so yeah of course I remember you. What was your name again?

Ghost: I am Damon! We had so many great times together.

Elena: I don’t think I am the person you are looking for.

Ghost: But you said you remember me. Your dad killed me, he didn’t want us together.

Elena: What...my dad? I don’t even know my dad! So my unknown father is a murderer.NO!!Look I have no idea who you are or what you are! All I know is that I am not Catherine. You’re Freaky!

Ghost: But, but....you look exactly like her. I have been looking for her for thousands of years. And I thought I found the vampire I loved.

Elena: Vampire? What? Is this some kind of joke?

Ghost: Oh. I wish it was.

Elena: You’re scaring me! Is this what you’re making me believe? I’m seeing a ghost that once loved a vampire .Right?

Ghost: Yes and there’s more to it.....

(The ghost disappeared)
